CITY OF HELOTES

Melissa & David Stallcup
Helotes Creek Winery
14391 Old Bandera Rd, #2
Helotes, TX 78023

Dear Melissa & David,

On behalf of the City of Helotes, the Development Services Team would like to welcome you as the new owners of Helotes Creek Winery to our community. First settled in the 1850's and incorporated in 1981, Helotes is now home to approximately 10,000 residents. We have the unique advantage of being located near San Antonio, while still maintaining our small town-charm.

Our historic business district, Old Town Helotes, is home to exclusive shops and consumer services, including the famous Floore's Country Store, where Willie Nelson and many other Country Western artists have performed. To promote commerce, the City hosts the *MarketPlace at Old Town Helotes* on the first Saturday of every month. This outdoor event showcases unique treasures from local craftsmen and delicious specialty food from vendors in South Texas. The City hosts various events throughout the year, which are posted on our website at www.helotes-tx.gov.

The goal of the City is to build working relationships with the community and local businesses, while advocating for responsible and safe development. The Development Services Team is committed to partnering with the community and local business to execute this goal. The team is here to assist you with an array of services such as permitting, inspections, and general building related questions. Should you need any assistance, feel free to reach out to the following team members:

Nicole Mayfield, *Development Services Representative* 210.695.5947 nmayfield@helotes-tx.gov
Susan Darst, *Permit Specialist* 210.695.5914 sdarst@helotes-tx.gov

We look forward to working together and again, welcome to the City of Helotes, gateway to the Texas Hill Country!

Sincerely,

Michael Gallardo

Michael Gallardo,
Development Services Coordinator
