for such delay and this lease will remain enforceable. In the event of such a delay, the Commencement Date will automatically be extended to the date Tenant is able to occupy the Property and the Expiration Date will also be extended by a like number of days, so that the length of this lease remains unchanged. If Tenant is unable to occupy the leased premises after the \_\_\_\_\_ day after the Commencement Date because of construction on the leased premises to be completed by Landlord that is not substantially complete or a prior tenant's holding over of the leased premises, Tenant may terminate this lease by giving written notice to Landlord before the leased premises become available to be occupied by Tenant and Landlord will refund to Tenant any amounts paid to Landlord by Tenant. This Paragraph 3B does not apply to any delay in occupancy caused by cleaning or repairs.

C. **Certificate of Occupancy:** Unless the parties agree otherwise, Tenant is responsible for obtaining a certificate of occupancy for the leased premises if required by a governmental body.

**4. RENT AND EXPENSES:**

A. **Base Monthly Rent:** On or before the first day of each month during this lease, Tenant will pay Landlord base monthly rent as described on attached Exhibit \_\_\_\_\_ or as follows:

Dates		Rate per rentable square foot (optional)		Base Monthly Rent \$
From	To	\$ Monthly Rate	\$ Annual Rate	
Month 1	Month 12	/ rsf / month	28.00 / rsf / year	
Month 13	Month 24	/ rsf / month	30.00 / rsf / year	
Month 25	Month 36	/ rsf / month	34.00 / rsf / year	
		/ rsf / month	/ rsf / year	
		/ rsf / month	/ rsf / year	
		/ rsf / month	/ rsf / year	

B. **Additional Rent:** In addition to the base monthly rent, Tenant will pay Landlord the expense reimbursement detailed in Paragraph 4J (if applicable) and all other amounts, as provided by the attached (Check all that apply.):

- (1) Commercial Lease Addendum for Percentage Rent (TXR-2106)
- (2) Commercial Lease Addendum for Parking (TXR-2107)
- (3) \_\_\_\_\_

All amounts payable under the applicable addenda are deemed to be "rent" for the purposes of this lease.

C. **First Full Month's Rent:** The first full monthly rent is due on or before Lease execution

D. **Prorated Rent:** If the Commencement Date is on a day other than the first day of a month, Tenant will pay Landlord as prorated rent, an amount equal to the base monthly rent multiplied by the following fraction: the number of days from the Commencement Date to the first day of the following month divided by the number of days in the month in which this lease commences. The prorated rent is due on or before the Commencement Date.

E. **Place of Payment:** Tenant will remit all amounts due to Landlord under this lease to the following person at the place stated or to such other person or place as Landlord may later designate in writing:

Name: **Legacy Helotes, LLC**  
 Address: **15001 Old Bandera Rd., Helotes, Tx 78023**

## 14108 Bandera Rd. Suite 103

Commercial Lease concerning: Helotes, Tx 78023

- F. Method of Payment: Tenant must pay all rent timely without demand, deduction, or offset, except as permitted by law or this lease. If Tenant fails to timely pay any amounts due under this lease or if any check of Tenant is returned to Landlord by the institution on which it was drawn, Landlord after providing written notice to Tenant may require Tenant to pay subsequent amounts that become due under this lease in certified funds. This paragraph does not limit Landlord from seeking other remedies under this lease for Tenant's failure to make timely payments with good funds.
- G. Late Charges: If Landlord does not actually receive a rent payment at the designated place of payment within 5 days after the date it is due, Tenant will pay Landlord a late charge equal to 10% of the amount due. In this paragraph, the mailbox is not the agent for receipt for Landlord. The late charge is a cost associated with the collection of rent and Landlord's acceptance of a late charge does not waive Landlord's right to exercise remedies under Paragraph 20.
- H. Returned Checks: Tenant will pay \$ 50.00 for each check Tenant tenders to Landlord which is returned by the institution on which it is drawn for any reason, plus any late charges until Landlord receives payment.
- I. Application of Funds: Regardless of any notation on a payment, Landlord may apply funds received from Tenant first to any non-rent obligations of Tenant, including but not limited to: late charges and returned check charges, repairs, brokerage fees, periodic utilities and thereafter to rent.

*(Check box only if Tenant reimburses Landlord for some or all expenses. Do not check for "gross" leases.)*

J. Expense Reimbursement. In addition to base monthly rent stated in Paragraph 4A, Tenant will pay Landlord the expense reimbursement described in this Paragraph 4J. Tenant will pay the expense reimbursement as additional rent each month at the time the base-monthly rent is due. All amounts payable under this Paragraph 4J are deemed to be "rent" for the purposes of this lease.

(1) Reimbursable Periods. Additional rent under this Paragraph 4J is due for all months listed in the chart in Paragraph 4A, even if the base monthly rent is zero.

(2) Definitions:

(a) "Tenant's pro rata share" is 7.000 %.

(b) "CAM" means all of Landlord's expenses reasonably incurred to maintain, repair, operate, manage, and secure the Property (for example, security, lighting, painting, cleaning, decorations, utilities, trash removal, pest control, promotional expenses, and other expenses reasonably related the Property's operations); including all expenses incurred by Landlord under Paragraph 15, but not including expenses for structural components and roof replacement; CAM does not include capital expenditures, interest, depreciation, tenant improvements, insurance, taxes, or brokers' leasing fees. Notwithstanding the foregoing, CAM does include the amortized costs incurred by Landlord in making capital improvements or other modifications to the Property to the extent such improvements or modifications reduce CAM overall. These costs will be amortized over the useful life of the improvement or modification on a straight-line basis; however, in no event will the charge for such amortization included in CAM exceed the actual reduction in CAM achieved by the improvements and modifications.

(c) "Insurance" means Landlord's costs to insure the leased premises and the Property including but not limited to insurance for casualty loss, general liability, and reasonable rent loss.

(d) "Taxes" means the real property ad valorem taxes assessed against the leased premises and Property inclusive of all general and special assessments and surcharges.

- (f) *"Roof"* means all roofing components including, but not limited to decking, flashing, membrane, and skylights.
- (3) Method: The additional rent under this Paragraph 4J will be computed under the following method (*Check only one box*): *Note: "CAM" does not include taxes and insurance costs.*
  - (a) Base-year expenses: Each month Tenant will pay Tenant's pro rata share of the projected monthly expenses for the Property that exceed the amount of the monthly base-year expenses for the calendar year \_\_\_\_\_ for:  taxes;  insurance;  CAM;  structural; and  \_\_\_\_\_.
  - (b) Expense-stop: Each month Tenant will pay Tenant's pro rata share of the projected monthly expenses for the Property that exceed \$ \_\_\_\_\_ per square foot per year for:  taxes;  insurance;  CAM;  structural;  roof replacement; and  \_\_\_\_\_.

- (4) Projected Monthly Expenses: On or about December 31 of each calendar year, Landlord will project the applicable monthly expenses (those that Tenant is to pay under this lease) for the following calendar year and will notify Tenant of the projected expenses. The projected expenses are based on Landlord's estimates of such expenses. The actual expenses may vary.

Notice: The applicable projected expenses at the time the lease commences are shown in the table below. The total area of the Property presently used by Landlord for calculating expense reimbursements is \_\_\_\_\_ rentable square feet (including any add on factor for common areas).

Projected Expenses	
\$ Monthly Rate	\$ Annual Rate
<b>0.58</b> / rsf / month	<b>7.00</b> / rsf / year

- (5) Reconciliation: Within 120 days after the end of each calendar year, Landlord will notify Tenant of the actual costs of the applicable expenses (those that Tenant is to pay under this lease) for the previous year. If the actual costs of the applicable expenses exceed the amounts paid or owed by Tenant for the previous year, Tenant must pay the deficient amount to Landlord within 30 days after Landlord notifies Tenant of the deficient amount. If the actual costs of the applicable expenses are less than the amounts paid by Tenant for the previous year, Landlord will refund the excess to Tenant or will credit the excess to Tenant's next rent payment(s). Tenant may audit or examine those items in Landlord's records that relate to Tenant's obligations under this Paragraph 4J. Landlord will promptly refund to Tenant any overpayment revealed by an audit or examination. If the audit or examination reveals an error of more than 5% over the amounts Landlord collected in a calendar year from Tenant under this lease, Landlord will pay the reasonable cost of the audit or examination. Landlord may not seek a deficiency from Tenant under this paragraph if Landlord fails to timely provide the required notice.

Tenant may not solicit any business in the common areas or interfere with any other person's right to use the common areas. This paragraph does not apply if Paragraph 2A(2) applies.
- G. Notice of Repairs: Tenant must promptly notify Landlord of any item that is in need of repair and that is Landlord's responsibility to repair. All requests for repairs to Landlord must be in writing.
- H. Failure to Repair: Landlord must make a repair for which Landlord is responsible within a reasonable period of time after Tenant provides Landlord written notice of the needed repair. If Tenant fails to repair or maintain an item for which Tenant is responsible within 10 days after Landlord provides Tenant written notice of the needed repair or maintenance, Landlord may: (1) repair or maintain the item, without liability for any damage or loss to Tenant, and Tenant must immediately reimburse Landlord for the cost to repair or maintain; or (2) exercise Landlord's remedies under Paragraph 20.

**16. ALTERATIONS:**

- A. Tenant may not alter (including making any penetrations to the roof, exterior walls or foundation), improve, or add to the Property or the leased premises without Landlord's written consent. Landlord will not unreasonably withhold consent for the Tenant to make reasonable non-structural alterations, modifications, or improvements to the leased premises.
- B. Tenant may not alter any locks or any security devices on the Property or the leased premises without Landlord's consent. If Landlord authorizes the changing, addition, or rekeying of any locks or other security devices, Tenant must immediately deliver the new keys and access devices to Landlord.
- C. If a governmental order requires alteration or modification to the leased premises, the party obligated to maintain and repair the item to be modified or altered as designated in Paragraph 15 will, at its expense, modify or alter the item in compliance with the order and in compliance with Paragraphs 16A and 17.
- D. Any alterations, improvements, fixtures or additions to the Property or leased premises installed by either party during the term of this lease will become Landlord's property and must be surrendered to Landlord at the time this lease ends, except for those fixtures Landlord requires Tenant to remove under Paragraph 11 or 14 or if the parties agree otherwise in writing.

**17. LIENS:** Tenant may not do anything that will cause the title of the Property or leased premises to be encumbered in any way. If Tenant causes a lien to be filed against the Property or leased premises, Tenant will within 20 days after receipt of Landlord's demand: (1) pay the lien and have the lien released of record; or (2) take action to discharge the lien. Tenant will provide Landlord a copy of any release Tenant obtains pursuant to this paragraph.

**18. LIABILITY:** To the extent permitted by law, Landlord is NOT responsible to Tenant or Tenant's employees, patrons, guests, or invitees for any damages, injuries, or losses to person or property caused by:

- A. an act, omission, or neglect of: Tenant; Tenant's agent; Tenant's guest; Tenant's employees; Tenant's patrons; Tenant's invitees; or any other tenant on the Property;

19. **INDEMNITY:** Each party will indemnify, defend, and hold the other party harmless from any property damage, personal injury, suits, actions, liabilities, damages, cost of repairs or service to the leased premises or Property, or any other loss caused, negligently or otherwise, by that party or that party's employees, patrons, guests, or invitees.

20. **DEFAULT:**

A. If Landlord fails to comply with this lease within 30 days after Tenant notifies Landlord of Landlord's failure to comply, Landlord will be in default and Tenant may seek any remedy provided by law. If, however, Landlord's non-compliance reasonably requires more than 30 days to cure, Landlord will not be in default if the cure is commenced within the 30-day period and is diligently pursued.

B. If Landlord does not actually receive at the place designated for payment any rent due under this lease within 5 days after it is due, Tenant will be in default. If Tenant fails to comply with this lease for any other reason within 20 days after Landlord notifies Tenant of its failure to comply, Tenant will be in default.

C. If Tenant is in default, Landlord may, with at least 3 days written notice to Tenant: (i) terminate this lease, or (ii) terminate Tenant's right to occupy the leased premises without terminating this lease and may accelerate all rents which are payable during the remainder of this lease or any renewal period. Landlord will attempt to mitigate any damage or loss caused by Tenant's breach by using commercially reasonable means. If Tenant is in default, Tenant will be liable for:

- (1) any lost rent;
- (2) Landlord's cost of reletting the leased premises, including brokerage fees, advertising fees, and other fees necessary to relet the leased premises;
- (3) repairs to the leased premises for use beyond normal wear and tear;
- (4) all Landlord's costs associated with eviction of Tenant, such as attorney's fees, court costs, and prejudgment interest;
- (5) all Landlord's costs associated with collection of rent such as collection fees, late charges, and returned check charges;
- (6) cost of removing any of Tenant's equipment or fixtures left on the leased premises or Property;
- (7) cost to remove any trash, debris, personal property, hazardous materials, or environmental contaminants left by Tenant or Tenant's employees, patrons, guests, or invitees in the leased premises or Property;
- (8) cost to replace any unreturned keys or access devices to the leased premises, parking areas, or Property; and
- (9) any other recovery to which Landlord may be entitled under this lease or under law.

21. **ABANDONMENT, INTERRUPTION OF UTILITIES, REMOVAL OF PROPERTY, AND LOCKOUT:**

Chapter 93 of the Texas Property Code governs the rights and obligations of the parties with regard to: (a) abandonment of the leased premises; (b) interruption of utilities; (c) removal of Tenant's property; and (d) "lock-out" of Tenant.

22. **HOLDOVER:** If Tenant fails to vacate the leased premises at the time this lease ends, Tenant will become a tenant-at-will and must vacate the leased premises immediately upon receipt of demand from Landlord. No holding over by Tenant, with or without the consent of Landlord, will extend this lease. Tenant will indemnify Landlord and any prospective tenants for any and all damages caused by the holdover. any holdover period will be 150% of the base monthly rent plus any additional rent calculated on a daily basis and will be immediately due and payable daily without notice or demand.

**23. LANDLORD'S LIEN AND SECURITY INTEREST:** To secure Tenant's performance under this lease, Tenant grants to Landlord a lien and security interest against all of Tenant's nonexempt personal property that is in the leased premises or on the Property. This lease is a security agreement for the purposes of the Uniform Commercial Code. Landlord may file a financing statement to perfect Landlord's security interest under the Uniform Commercial Code.

**24. ASSIGNMENT AND SUBLETTING:** Landlord may assign this lease to any subsequent owner of the Property. Tenant may not assign this lease or sublet any part of the leased premises without Landlord's written consent. An assignment of this lease or subletting of the leased premises without Landlord's written consent is voidable by Landlord. If Tenant assigns this lease or sublets any part of the leased premises, Tenant will remain liable for all of Tenant's obligations under this lease regardless if the assignment or sublease is made with or without the consent of Landlord.

**25. RELOCATION:**

- A. By providing Tenant with not less than 90 days advanced written notice, Landlord may require Tenant to relocate to another location in the Property, provided that the other location is equal in size or larger than the leased premises then occupied by Tenant and contains similar leasehold improvements. Landlord will pay Tenant's reasonable out-of-pocket moving expenses for moving to the other location. "Moving expenses" means reasonable expenses incurred by Tenant payable to professional movers, utility companies for connection and disconnection fees, wiring companies for connecting and disconnecting Tenant's office equipment required by the relocation, and printing companies for reprinting Tenant's stationary, business cards, and marketing materials containing Tenant's address. A relocation of Tenant will not change or affect any other provision of this lease that is then in effect, including rent and reimbursement amounts, except that the description of the suite or unit number will automatically be amended.
- B. Landlord may not require Tenant to relocate to another location in the Property without Tenant's prior consent.

**26. SUBORDINATION:**

- A. This lease and Tenant's leasehold interest are and will be subject, subordinate, and inferior to:
- (1) any lien, encumbrance, or ground lease now or hereafter placed on the leased premises or the Property that Landlord authorizes;
  - (2) all advances made under any such lien, encumbrance, or ground lease;
  - (3) the interest payable on any such lien or encumbrance;
  - (4) any and all renewals and extensions of any such lien, encumbrance, or ground lease;
  - (5) any restrictive covenant affecting the leased premises or the Property; and
  - (6) the rights of any owners' association affecting the leased premises or Property.
- B. Tenant must, on demand, execute a subordination, attornment, and non-disturbance agreement that Landlord may request that Tenant execute, provided that such agreement is made on the condition that this lease and Tenant's rights under this lease are recognized by the lien-holder.

**27. ESTOPPEL CERTIFICATES AND FINANCIAL INFORMATION:**

- A. Within 10 days after receipt of a written request from Landlord, Tenant will execute and deliver to Landlord an estoppel certificate that identifies the terms and conditions of this lease.

Within 20 days after receipt of Tenant's notice of a casualty loss, Landlord will notify Tenant if the leased premises are less than or more than 50% unusable, on a per square foot basis, and if Landlord can substantially restore the leased premises within 120 days after Tenant notifies Landlord of the casualty loss.
B. If the leased premises are less than 50% unusable and Landlord can substantially restore the leased premises within 120 days after Tenant notifies Landlord of the casualty, Landlord will restore the leased premises to substantially the same condition as before the casualty.
C. If the leased premises are more than 50% unusable and Landlord can substantially restore the leased premises within 120 days after Tenant notifies Landlord of the casualty, Landlord may: (1) terminate this lease; or (2) restore the leased premises to substantially the same condition as before the casualty.
D. If Landlord notifies Tenant that Landlord cannot substantially restore the leased premises within 120 days after Tenant notifies Landlord of the casualty loss, Landlord may: (1) choose not to restore and terminate this lease; or (2) choose to restore, notify Tenant of the estimated time to restore, and give Tenant the option to terminate this lease by notifying Landlord within 10 days.
E. If this lease does not terminate because of a casualty loss, rent will be reduced from the date Tenant notifies Landlord of the casualty loss to the date the leased premises are substantially restored by an amount proportionate to the extent the leased premises are unusable.

29. CONDEMNATION: If after a condemnation or purchase in lieu of condemnation the leased premises are totally unusable for the purposes stated in this lease, this lease will terminate. If after a condemnation or purchase in lieu of condemnation the leased premises or Property are partially unusable for the purposes of this lease, this lease will continue and rent will be reduced in an amount proportionate to the extent the leased premises are unusable.

# Information About Brokerage Services

Texas law requires all real estate licensees to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

**TYPES OF REAL ESTATE LICENSE HOLDERS:**

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

**A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):**

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

**A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:**

**AS AGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

**AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

**AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
  - that the owner will accept a price less than the written asking price;
  - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
  - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

**AS SUBAGENT:** A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

**TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:**

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
